 Overview Map 3

Play Instruction

1. Download "MaZ_GhostOceanLiner.esm" and "MaZ_GhostOceanLiner - Main.ba2".
2. Put "MaZ_GhostOceanLiner.esm" and "MaZ_GhostOceanLiner - Main.ba2" under the folder of "C:\Program Files (x86)\Steam\steamapps\common\Starfield\Data". (It depends on which folder the player installs on their Starfield).
3. Launch the Starfield.
4. Click the "Creation" option and wait it loading.
5. Press "T".
6. Check the "MaZ_GhostOceanLiner.esm"
7. Press "esc" and go back to the main menu.
8. Open command window
9. Type in "coc newatlantisspaceport03"
10. Loading game.
11. The Quest Starts. The player can start to play at this level.
